**NEW BRIDGE**

After several years the bridge is finally completed. The Cemetery Board would like to thank each and everyone who donated monies toward the expenses of this bridge. The Engineer’s Report had estimated our cost at $38,377.00. We received $44,840.00 in donations. Due to the fact that it took longer than anticipated for the construction, when the tenders were received the cost of materials had gone up in price. The total cost was $50,965.99. This left us with a difference of $6,125.99 which we had to pay from our daily operating expenses. We have a few projects to complete and donations will be greatly appreciated at any time.

We take pride in our cemetery and it is a lovely tribute to our dearly departed ones. Copies of our 2019 Financial Report is on the table in the foyer. The report does not reflect the amount of the bridge as it was paid in February of 2020. If you have any questions, feel free to contact Denis Desaulniers or Helen Chauvin (Annonciation Cemetery Board members).
