Prayer for Those Who Care for the Sick

Lord Jesus, our brother,
you showed your compassion for the sick
when you reached out in love to them.
We praise you for the saving love
that is exercised among those who care for the sick.
Conform them more and more to your image
that they may be your healing touch to the sick,
and share the peace
of your Holy Spirit with all they meet.

Glory and praise to you, Christ Jesus,
the incarnation of the Father's love,
you are Lord for ever and ever.

Amen.

Prière pour les malades

Dieu de guérison, nous savons tous
que le devoir de faire face à la maladie
et la fragilité humaine fait partie de notre vie.
Mais cette réalité n'est pas facile à accepter.
Donne-nous le courage de reconnaître les limites
de notre corps et à trouver du réconfort
dans la force incroyable de notre esprit.
Par ta grâce, nous pouvons endurer
la souffrance avec dignité et espérance.
Aide-nous aussi à faire les efforts nécessaires
pour que personne ne souffre seul.
Nous te le demandons par le Christ notre Seigneur.

Amen.

Divine Mercy Sunday
We are reconciled to God, in his Divine Mercy, through his Son.

The Church continues to celebrate and give thanks for the mystery of the Resurrection. God has anointed his only Son as our Savior and Redeemer. So with hearts full of hope, joy, and faith, let us be reconciled to God in his Divine Mercy and share that mercy with the world.

Dimanche de la Miséricorde divine
Une mission de miséricorde

Le Seigneur ressuscité nous donne sa paix et le souffle de l'Esprit. Il nous confie une mission de miséricorde: être ses témoins dans la joie jusqu'à son retour. Ainsi, nous pourrions entrer dans l'héritage promis, celui de la vie éternelle..

Canadian Blood Services asks Canadians to keep giving to meet ongoing patient needs

Dr. Isra Levy appeared on CBC Radio's Ottawa Morning on Mar. 23, 2020, to discuss the ongoing need for blood donation during COVID-19.

Dr. Levy explained that while the situation has stabilized following a spike in donor cancellations, it is important for donors to continue giving. Patients will continue to need blood products throughout COVID-19, including many cancer patients and those with blood disorders. He noted that widespread cancellation of group donations has increased the need for individual donors to book and keep appointments.

We are continually updating our COVID-19 page with detailed information about our response and our safety measures. Can people without an appointment go to a donor centre and donate blood?
No. In compliance with the Public Health Agency of Canada's direction to enable physical distancing, at this time, we can only welcome people with appointments.

Appointments help minimize the number of people in our donor centres at a given time; Appointments also allow prospective donors to complete a pre-screening questionnaire before they arrive at a donor centre, allowing them to self-defer if necessary in keeping with health and safety recommendations.

We ask all eligible donors to book an appointment online at blood.ca, on the GiveBlood app, or by calling 1 888 2 DONATE (1-888-236-6283)
